

My name is Deanna Wilson. I was a teacher for 38 years in various states and countries. I retired in 2013. At that time, I volunteered to be the treasurer for Virginia Canals and Navigation Society with is a non-profit. When I moved to Sea Gate, I gave up that position so I could be the treasurer for Sea Gate, that was in 2018. I also have been the president of the American Legion Auxiliary Unit #46 in Morehead City for three years.

I have lived on Tradewinds Road since 2015. My husband is Jerry.

I am running for the board in the hopes of continuing in my position as Treasurer. I hope that I have shown the community that I did a good job.
